Rōpū House Leaders HAL Training

Our Rōpū House Leaders have a session with Amanda from Nuku Ora on Tuesday 4 April. Amanda is going to share a few games that the leaders will be able to take to their house to play on Friday mornings.

PAT and STAR Assessments

Each year Years 3-8 are tested in Reading and Mathematics using PAT and STAR assessments. These enable us to monitor progress and achievement of individual students and compare their performance against students in the same year group across New Zealand. Our achievement is extremely good and well above the national norm of 60% of students achieving at or above expectation for their year group.

	At and Above Expectation in	National Norm
Mathematics	93%	60%
Reading Comprehension	93%	60%
Reading Vocabulary	100%	60%

Grant Applications

We often receive emails and go on courses where we learn about grants that we can apply for as a school. Often successful grant applications are based on the wording. If you have the time and ability to apply for grants on our behalf we would welcome your help. Please contact me at principal@roseneath.school.nz. Thank you to Ali Breckon who has offered to help us with this.

125th Anniversary - Labour Weekend

We have set the date for the 125th Anniversary celebrations. We want to spread the word to have as many past pupils attend as possible. If you know of anyone who attended Roseneath School please let them know. We would love a collection of recollections from the time former pupils were at Roseneath and/ or former pupils who could tell their stories of what it was like to be at Roseneath School to our current pupils. It would be great for us to make those connections to the memories.

Please contact me if you would like to be involved in organising the 125th anniversary celebrations or to give me the name of a former pupil. principal@roseneath.school.nz

Former Pupil Success

Olympic Swimmer Lewis Clareburt is a former pupil of Roseneath School. The 23 year old was awarded 2022 Wellingtonian Sports person of the Year.

Is he our most famous former pupil?

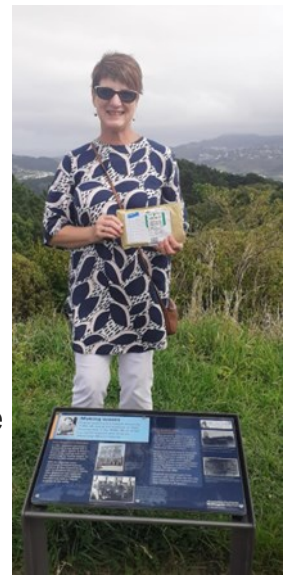

Do you know any other former pupils who have achieved highly? Let us know their story.

Former Pupil with Famous Mother

[Mary Harris](#) attended Roseneath School in 1945-46 while her mother Elizabeth Alexander worked in on development of New Zealand's radar during WWII. This was secret work and a plaque commemorating her pioneering radar work was unveiled at Mt Victoria on Sunday.

Mary has sent us the autograph book she was presented with when she left Roseneath to return to England in 1946. It contains the names of all of the children attending Roseneath School that year. This will be a treasure to display at the 125th Anniversary. I was talking to her brother, Bill on Monday and he told ta story of his time at Roseneath School. The children collected grass seeds to regrass the battlefields of Europe. Do you have any stories to share of early days Roseneath School? Please let us know.

Sporting Successes

It is great to see the number of children participating in after school sports. A big thanks to the parents and coaches for enabling your children to learn a new sport and develop their sportsmanship and team playing skills. Here is our Year 3&4 Futsal Team.

Blanket Permissions for School Trips:

Please email principal@roseneath.school.nz to give blanket permission for all school trips and EOTC activities. Thanks to those who have already done this.
