

## Friends Summary for 2015

2015 was another year of busy fundraising for the Friends Committee. This year the Committee focused on raising money to go towards the development and upgrade of a new children's playground. It is wonderful to see fundraising efforts being translated into tangible improvements that will benefit current and future students.

We concentrated our fundraising in the first half of the year so as not to overlap with fundraising for school camps which takes place in the latter part of the school year. Our fundraising comprised as follows:

- New World Receipts
- Disco
- 2 x Movie nights
- Basic-facts-a-thon
- Quiz and raffle
- Art Exhibition
- Calendars & diaries

Friends of Roseneath raised \$14,000 in total for 2015.

Our Committee this year was small and we were without a chairperson, however, by splitting responsibility for fundraising events across the committee, there was a more even spread of workload. A focus in the coming year must be to expand the Friends support base and committee membership.
