

Board of Trustee Newsletter February 2017

Surprise, we're pregnant!

It was an absolute surprise for us when we found out very recently that I am pregnant, especially as my husband and I never thought that babies were going to happen for us. The timing is certainly interesting as I have been so excited about the opportunity to lead this fabulous school. First, though, a baby break, and then my husband will take over the reins at home so that I can return.

As I am already quite a long way along, I will be taking leave from the end of this term and will return to school at the beginning of 2018. I am thrilled that Luana has agreed to be the Acting Principal while I am on leave, and we will be appointing a teacher to work in The Long Boat and to join the strong Roseneath staff while Luana steps into my role.

I appreciate your ongoing support to myself and our wonderful school.

Kind regards
Adelle Broadmore

The Board of Trustees would like to congratulate Adelle and Sam on their very special news. Obviously this has come as a bit of a surprise but we are so happy for Adelle and look forward to continuing our relationship with her after a wee break!

We are incredibly lucky in our school to have such a highly respected and capable leader in Luana, and we are delighted that she has agreed to take on the role of Acting Principal until Adelle returns to work. Luana and Adelle have been working hard to chart the course for the rest of the year and we know with our fabulous staff that there will be absolutely minimal disruption to the running of the school. The Board has a continuity plan in place with regards to replacing Luana as a classroom teacher for terms 2,3 & 4.

Many thanks,

Board of Trustees
