WELCOME BACK

A very warm welcome back to all of our Roseneath learners and their families. It was lovely to see so many bright and smiling faces yesterday. A special welcome to our new students- we are thrilled you have come to our school.

It has been lovely to meet so many of our Roseneath families over the last few days- thank you for coming up and introducing yourself. It will take me a while to learn your names and who you belong to but I will get there!

SWIMMING

We start swimming on Thursday 9th February from 12.00-1.00pm. We will be leaving school at 11.30am and we will be back at school by 1.30pm to run our afternoon programmes.

As this is different from previous years we invite parents to come and watch but all students will need to return to school for the afternoon. Are you able to join us on the bus? This will help us meet our health and safety requirements.

Please remember if you have any questions or concerns about swimming that you contact Luana Carroll -

luana.carroll@roseneath.school.nz as she is the school's liaison with the aquatic centre all communication about school swimming needs to go through her rather than contact-pool staff directly.

MEET THE TEACHER EVENING 15 FEBRUARY, 6PM-7PM

This will be a lovely opportunity for parents/caregivers and teachers to meet, we will share information about our school and classroom programmes and we will answer questions that you might have about the school. We will begin in the hall and then you will have a chance to move to your child's/children's classrooms. Hope to see you there!

ANNUAL ORIENTAL BAY BEACH VISIT FRIDAY 24 FEBRUARY

We are hoping that Summer will finally put in an appearance and we can make our way down to Oriental Bay Beach. Children will have an opportunity to build sand sculptures and play beach games and swim if they wish.

Everyone will need a sunhat, sun block, togs and towel (if swimming), their morning tea and lunch and they are welcome to bring things to help them with their sandcastle building as long as they can carry it!

We will be walking there and back, leaving at 10am and returning at around 1pm. All families are welcome- please let your child's class teacher know if you are able to help with walking our children there and back (we do need extra adults accompanying each class). This trip will be weather permitting only, and if it is cancelled we will send an email out as soon as we have made the decision.

ROAD SAFETY AROUND OUR SCHOOL

We had a very exciting start to the year with a visit from the Fire Service. This was because one of our fire alarms went off - a false alarm, but a great opportunity to practise our fire drill processes! It did add extra pressure to the parking and driving areas around the top of the school.

Just a few reminders- please be as safe as you can be with driving and parking when dropping off and picking up your children. Their ability to see traffic and make safe decisions relies on us all being as safe as we can be. Also, please remind your children that they must use the pedestrian crossing when crossing the road above the school, or be accompanied by an adult.

Regards
