## Introduction

The board of trustees of Roseneath School is focused on the ongoing improvement of student progress and achievement within an environment that provides inclusive education.

*Refer to the New Zealand Curriculum, the New Zealand Disability Strategy, and the United Nations Convention on the Rights of Disabled People.*

To ensure effective school performance, the board is committed to maintaining a strong and effective governance framework that incorporates legislative requirements and good practice.

### Governance and Management

The following are the board's agreed governance and management definitions which form the basis upon which both the working relationships and the board's policies are developed.

<b>Governance</b>	<b>Management</b>
<p>The ongoing improvement of student progress and achievement is the board's focus.</p> <p>The board acts in a stewardship role and is entrusted to work on behalf of all stakeholders. It is accountable for the school's performance, emphasises strategic leadership, sets the vision for the school and ensures compliance with legal and policy requirements.</p> <p>Board policies are at a governance level and outline clear delegations to the principal. The board and principal form the leadership, with the role of each documented and understood. The principal reports to the board as a whole with committees used sparingly and only when a need is identified in order to contribute to board work.</p> <p>The board is proactive rather than reactive in its operations and decision making and does not involve itself in the administrative details of the day to day running of the school.</p>	<p>The board delegates all authority and accountability for the day-to-day operational organisation of the school to the principal who must ensure compliance with both the board's policy framework and the law of New Zealand. [For detail see Operational Policies]</p>

In developing the above definitions for Roseneath School the board is mindful of the following excerpts from the Education Act 1989:

The Education Act 1989 was amended on 19<sup>th</sup> May 2017, clarifying the governance role of the board of trustees and a focus on student achievement. Alongside their professional role, the principal's key contribution to **day-to-day management** of the school is as per the management definition in the introduction to this governance manual.

The principal is responsible for overseeing the implementation of board policy including the Charter. Reference in documentation to the school, management and staff is to be read as "principal" for responsibility for implementation. From time to time the chair of the board acting within delegated authority may issue discretions in policies of the school, in minutes of the board, or by written delegation.

The responsibilities of the principal are to:

1. Meet the requirements of the current job description
2. Meet the requirements of their employment agreement including the 4 areas of practice from the Principals' Professional Standards
3. Act as the educational leader and day to day manager of the school within the law and in line with all board policies

manner (as per the employment agreement provisions that apply to the principal). Where the board considers the degree and seriousness of the concern or violation(s) sufficient to warrant initiating a disciplinary or competency process, the board shall seek the support and advice in the first instance from an NZSTA adviser to ensure due process is followed.

## **15. Meeting Procedure Policy**

(\* denotes legislative requirement)

Members of the school community are encouraged to take an active interest in the school and its performance and are welcome to attend all board meetings within the *Public Attending Board Meetings Procedure* (See p. 17).

Board meetings;

### **General:**

- Meetings are held as per the triennial review schedule with dates confirmed each December for the following year.
- Board minutes will be taken by a non trustee paid on a commercial basis on contract.
- The quorum shall be more than half the members of the board currently holding office.\*
- Only apologies received from those who cannot be present must be recorded. Trustees who miss three consecutive meetings without the prior leave of the board cease to be members. An apology does not meet the requirement of prior leave. To obtain prior leave a trustee must request leave from the board at a board meeting and the board must make a decision.\*
- The chair shall be elected at the first meeting of the year except in the triennial year where it will be at the first meeting of the newly elected board.\*
- The chair may exercise a casting vote in the case of equality of votes, in addition to his/her deliberative vote.\*
- Any trustees with a conflict or pecuniary interest in any issue shall not take part in any debate on such issues and may be asked to leave the meeting for the duration of the debate.\* A pecuniary interest arises when a trustee may be financially advantaged or disadvantaged as a result of decisions made by the board. E.g. Contracts, pay and conditions etc. A conflict of interest is when an individual trustee could have, or could be thought to have, a personal stake in matters to be considered by the board.
- Only trustees have automatic speaking rights.
- The board delegates [and minutes] powers under Schedule 6, clause 17 of the Education Act 1989 to the Disciplinary Committee.
- The board delegates [and minutes] authority to the deputy principal in the times of absence of the principal.

### **Time of meetings:**

- Regular meetings commence at 7.30pm and conclude by 9.30pm.
- A resolution for an extension of time may be moved but will not normally exceed 30 minutes.
- Any business remaining on the agenda at the conclusion of the meeting is transferred to the following meeting.

### **Special meetings:**

- A special meeting may be called by delivery of notice to the chair signed by at least one third of trustees currently holding office.

### **Exclusion of the public:**

- The meeting may, by resolution, exclude the public (going into committee) and news media from the whole or part of the proceedings in accordance with the Local Government Official Information and Meetings Act unless specifically asked to stay. The wording to be used in the motion to exclude the public is found in Schedule 2A of that Act. Excluding the public is most often used to ensure privacy of individuals or financially sensitive issues.\*

### **Public participation:**

- The board meeting is a meeting held in public rather than a public meeting.
- Public participation is at the discretion of the board.
- Public attending the meeting are given a notice about their rights regarding attendance at the meeting. *Public Attending Board Meetings Procedure* (See p. 17).

**Motions/amendments:**

- A motion is a formal proposal for consideration. All motions and amendments moved in debate must be seconded unless moved by the chair and are then open for discussion.
- Motions and amendments once proposed and accepted may not be withdrawn without the consent of the meeting
- No further amendments may be accepted until the first one is disposed of
- The mover of a motion has right of reply
- A matter already discussed may not be reintroduced at the same meeting in any guise or by way of an amendment

**Tabling documents**

- When written information is used in support of a discussion, it should be tabled so that it can be examined by those present. It then forms part of the official record.

**Correspondence**

- The board should have access to all correspondence. Correspondence that requires the board to take some action should be photocopied/scanned and distributed prior to the meeting. Other correspondence can be listed and tabled so that trustees can read it if required.

**Termination of debate:**

- All decisions are to be taken by open voting by all trustees present.

**Lying on the table**

- When a matter cannot be resolved, or when further information is necessary before a decision can be made, the matter can be left unresolved for future discussion.

**Points of order**

- Points of order are questions directed to the chair which require an answer or a ruling. They are not open to debate and usually relate to the rules for the running of a meeting.

**Suspension of meeting procedures:**

- The board's normal meeting procedures may be suspended by resolution of the meeting.

**Agenda:**

- Agenda items are to be notified to the chair at least five working days prior to the meeting
- Late items will only be accepted with the approval of the board and in rare circumstances where a decision is urgent
- The order of the agenda may be varied by resolution at the meeting.
- All matters requiring a decision of the board are to be agended as separate meeting items.
- All items in the agenda are to carry a recommended course of action and where appropriate be supplemented by supporting material in the agended documentation.
- The agenda is to be collated with the agenda items placed in the agenda order and marked with the agenda number.
- Papers requiring reading and consideration will not normally be accepted if tabled at the meeting.
- Papers and reports are to be sent to the board at least two working days before the meeting

**Minutes**

- The principal is to ensure that secretarial services are provided to the board.
- The minutes are to clearly show resolutions and action points and who is to complete the action.
- A draft set of minutes is to be completed and sent to the chair for approval within two working days of the board meeting before being distributed to trustees within five working days of the meeting.

Review schedule: Triennially

**15.1 Public Attending Board Meetings Procedure**

The board of trustees welcomes public presence at board meetings and hopes that members of the public enjoy their time observing board meetings.

In order that members of the public understand the rules that apply to then attending board meetings these procedures will be provided and followed unless otherwise authorised by the board.

- 1 Board meetings are not public meetings but meetings held in public.
- 2 If the meeting moves to exclude the public (usually this is to protect the privacy of individuals) then you will be asked to leave the meeting until this aspect of business has been concluded.
- 3 Members of the public may request speaking rights on a particular subject that is on the agenda. Any request should be made at least two working days in advance of the meeting. Public participation is at the discretion of the board.
- 4 Speakers shall be restricted to a maximum of 3 minutes each per subject, with a time limit of fifteen minutes per interest group.
- 5 No more than two speakers on any one topic.
- 6 Speakers are not to question the board and must speak to the topic.
- 7 Board members will not address questions or statements to speakers.
- 8 Speakers shall not be disrespectful, offensive, or make malicious statements or claims.
- 9 If the chair believes that any of these have occurred or the speaker has gone over time they will be asked to finish.

**Please note:** Members of the public include staff, students and parents of the school who are not trustees on the board.

## **20. The Relationship between the Board and the Friends of Roseneath School**

The purpose of this policy is to explain the relationship between the Board of Trustees (“BoT”) and The Friends of Roseneath School (“the Friends”).

The Friends of Roseneath have been and continue to be an integral part of the community of Roseneath School. Over the years, through their fundraising efforts they have raised thousands of dollars with which they have provided the school with ‘the icing on the cake’ by way of computers, sports gear, library books and much more. As a group they have been willing organisers of school functions such as barbeques, school discos, annual quiz nights and other smaller fundraising initiatives. They also provide that sense of community that the school has by welcoming new families and helping out in times of need.

The way that the Friends are currently structured makes them accountable to the BoT

1. The relationship between the Board and the Friends is based on mutual respect, trust and integrity.
2. The relationship must be professional and for the primary interest of the education and wellbeing of the children.
3. The Friends will provide an annual plan of events at the start of each year, after discussions with the BoT regarding a fundraising wishlist and target, to present to Principal for approval. The plan will be revisited each term with the Principal to ensure it is in line with school events.
4. The Friends finances are part of the school finances and thus ultimately the responsibility of the BoT. Money raised by the Friends is separately identified in the BoT’s accounts.
5. Expenditure by the Friends is subject to the Financial delegations set out in the BoT finance policies.
6. The Friends’ personnel may attend BoT meetings and have the same rights as other members of the public at the meetings.
7. Trustees attending Friends meetings have the same rights as other parents.
8. The Friends must obtain the permission of the BoT to use school buildings and/or grounds for their activities.
9. The Friends must obtain the permission of the BoT to use the school name in any event they organise, be it a fund raising event or not.
10. Once a year the Friends will provide a summarised Statement of Account to the BoT and a will provide a written report for the schools annual report and website.

Review schedule: Annually

## **21. Concerns and Complaints Process**

### **Key Principles**

1. The relationship between the School, staff, and parents / caregivers / whānau is one of mutual respect and communication. Staff and parents / caregivers / whānau must be committed to the wellbeing of students and to their educational and social development. The School and parents / caregivers / whānau have the right to expect high professional standards.
2. In the case of a concern arising about a staff member from other staff members, students, and / or parents / caregivers / whānau, all procedures to achieve resolution will be conducted in good faith and with an open mind.
3. The Principal and Board will recognise the need to be aware of the differences between complaints, discipline and competency procedures, and will identify to all parties the nature of any of these procedures which is in operation.
4. At all points throughout the complaints and resolution process, confidentiality must be maintained.

### **Complaints process at first instance**

5. In the case of a concern arising about a staff member from other staff members, students, and/or parents / caregivers / whānau, first resort will be at the point of that concern. At first instance, the concern will be dealt with through discussion, mediation and/or corrective action, which is acceptable to the parties directly involved.
6. The presumption behind the policy is that with goodwill on both sides and a genuine wish to resolve a perceived or actual problem, it is best to approach the source of the problem directly.
  - If it is a concern about what happens in the classroom, the teacher will be approached directly by the person with the concern.
  - If it is a concern over matters dealt with in the office, the School secretary will be approached directly by the person with the concern.
  - If it is a concern over the exercise of management, the Principal will be approached directly by the person with the concern.
  - If it is a concern over policy and governance, one (or more) members of the Board Trustees will be approached directly by the person with the concern.
  - If it is a concern over any other matter not covered above, the Principal will be approached directly by the person with the concern.
7. The person with the concern may bring a support person(s) with them when approaching the appropriate person(s) if they wish.

### **Making a formal complaint**

8. If the concern is not resolved through informal processes, or if the concern is of a serious nature, the person making the complaint should lodge a written complaint with the appropriate person / authority:
  - The Board Chair is responsible for receiving, investigating and resolving complaints about the actions of Trustees.
  - The Principal is responsible for receiving, investigating and resolving complaints about the actions of staff members.
  - If the Principal is the subject of a serious complaint / unresolved concern, then the Board will assume responsibility for receiving, investigating and resolving complaints about the actions of staff members.
  - If the Board is the subject of a serious complaint / unresolved concern, the next appropriate authority will assume responsibility. This could be one or more of a number of education authorities (for example, the Ministry of Education, the New Zealand Teachers Council, or the State Services Commission).

- If a complaint includes allegations and evidence of serious criminal activity by a staff member which might directly affect the well-being or safety of students, then the Police will be informed by the Principal and further investigations undertaken after consultation with the Police.

9. The complainant will verify the written complaint as accurate and sign the written complaint. The complaint will then be referred to the Principal, Chairperson, or appropriate authority (as above).

### **Responding to a formal complaint**

10. Upon receiving a written complaint, the Principal or Board's (as above) first responsibility is to make sure that the students are safe and secure.
11. The Principal or Board (as above) will make an initial assessment as to whether the complaint seems to be made in good faith and whether there are sufficient grounds for investigating the matter further. These reasons will be documented in writing. If sufficient grounds do not exist, the complaint will be rejected and parties informed, in writing, with reasons for the decision.
12. Where a complainant alleges that a staff member has engaged in serious misconduct, the procedure set out in paragraphs 11 to 16 of the Staff Discipline Chapter, in the Board's Employment Policy applies.
14. Any person whose actions are the subject of a serious complaint, which may result in the initiation of disciplinary or competency procedures, will be advised of the detail of the complaint as soon as possible and (except in circumstances where summary dismissal without notice has been issued against a staff member in relation to a complaint of serious misconduct) the subject of the complaint will be given reasonable time to seek advice and to respond to the complaint.
15. The Principal or Board (as above) will conduct a full and impartial investigation of all written complaints and report the findings to the parties directly involved. The Principal should negotiate with all parties (together desirably, separately if necessary) to come to an acceptable solution.

### **When the Board is the "appropriate authority"**

16. If a complaint against a staff member (other than the Principal) is not resolved through this process, or if they are dissatisfied with the Principal's findings, the Principal will advise the concerned party / parties of their right to refer the complaint, in writing, to the Board. The Principal will give the Board an account of the preceding events relating to the complaint.
17. The Board will consider whether the previous action taken by the Principal was:
- appropriate; and
  - sufficient.
18. If the action was both appropriate and sufficient, the Board will advise the complainant accordingly, and the matter is closed.
19. If the action was either not appropriate and / or not sufficient, the Board will consider what further action should be taken and what mechanism it will use to progress the case. The alternatives include (but are not limited to):
- hiring legal and/or investigative expertise;
  - undertaking an investigation of its own; and/or
  - referring a case directly to the New Zealand Teachers Council.
20. If the Board decides to undertake its own investigation, it will:
- set up an ad hoc Personnel Committee with responsibility for the task; and
  - design a brief for the Personnel Committee that states the purposes of the investigation, the terms and conditions of the investigation, and the mechanism for reporting on the outcome. Alternatively, it may ask the Personnel Committee to construct its own brief and refer it back to the Board for ratification.

21. The Personnel Committee will conduct a full enquiry, and give the complainant and/or their legal advisors to respond to the allegations. The Personnel Committee will submit its written report to the Board, which determines what action, if any, is required
22. During any investigation and resolution of a serious complaint the Principal and Board will ensure that:
  - the person who is the subject of the complaint is kept informed, in writing, on the progress of the resolution of the complaint at all times;
  - the person's, who is the subject of the complaint, right to seek advice, support or counselling is protected;
  - relevant provisions in legislation and employment agreements are adhered to;
  - the investigation is full and fair;
  - the principles of natural justice are observed, which include: the presumption of innocence (until proven guilty), the accused's right of access to charges, the right to legal help, the right of reply, the right of redress, and the exercise of principles of evidence;
  - a full written record is kept of all significant discussions, decisions and actions during resolution of a complaint; and
  - students and their safety are kept as a prime consideration throughout the process.

### **New Zealand Teachers Council**

23. Parents / caregivers / whānau have the right to refer a complaint against a teacher to the New Zealand Teachers Council. The Council is then obliged to notify the school that it has received a complaint and ask whether the School knows of the complaint and, if so, what it has done about it.
24. The Council has the right to determine whether or not it has grounds to undertake its own investigation.
