SCHOOL PHOTOS

Inspire Photography are coming to school on Monday 6th August, to take photos of all children. You will then be able to log online to view and purchase your child's photo if you wish. Please see the attached information and contact us if you have any questions.

FUN RUN AND FITNESS-A-THON

Thank you for getting your money in so promptly! The Friends will let us know our grand total next week once the final donations have come in.

DROP OFF ZONE

As you know we have met with the Wellington City Council to discuss parking and road safety around our school. They are proposing a single drop off/pick up spot at the top of the driveway, between 8:45-9:15 and 2:45-3:15. This carpark space will be "no parking" during this time, for parents to stay in the car and "kiss and drop off" in the morning and "pull up and away" on the way home. Our neighbours have received the information and have been invited to submit their feedback. Please feel free to add your voice to this proposal.

The Council welcomes feedback from the school. Visit <https://wellington.govt.nz/have-your-say/public-inputs/consultations/open/traffic-resolutions-round-3-july-2018> to give your comments or alternatively you can email lindsey.hill@wcc.govt.nz

SPORTS NEWS

Netball

It was our first ever win. We were playing St Marks and the score was ten to six to us. We have really improved our skills as a team and we hope we win next week.

Basketball

Basketball this week was harder than usual because we were versing someone who was very tall and he scored most of the goals. We lost 27-18.

TERM 3 TOPIC: *SHOW IT!*

Our main topic focus this term is the Performance Arts (dance, drama, and music), with a focus on dance in particular. Children will be learning about dance elements and techniques, dance from different cultures and contexts, and will learn performance processes and skills. We will be showcasing our learning in our school Variety Show in the middle of the term, and many of our Years 3-8 will also be involved in the ArtSplash events held in the Michael Fowler Centre at the end of the term.

As always, we really value your expertise and knowledge. We know there are a few of you with dance backgrounds, and would love your input! Please get in touch. We will also really appreciate any offers of help with costumes, makeup and hair styling for the Variety Show and the ArtSplash performance. Let us know if you would like to help with these.

LEARNING CONFERENCES AND UPDATING YOUR CONTACT INFORMATION

It was lovely to see so many of you at our Year 4-8 Learning Conferences this week to talk about your children and their learning.

At this meeting we also took the chance to check your contact information. Teachers of Year 1-3 students without older siblings will touch base with you if we haven't already, to check if we have up to date, correct information.

We use this information to contact you if your child is unwell, or if there is a sudden school closure or emergency. Thank you for helping us to keep our records up to date so that we can contact you efficiently.

YEAR 5-8 SCHOOL CAMPS TERM 4 2018

Thank you for contacting us with your availability for helping on our camps. A notice went home at the end of last term- please contact Jenny, Sue or Anne if you have any questions.

Thank you to those that have set up payments for the camps so far. Contact Joanne on office@roseneath.school.nz if you would like to set up an automatic payment.
