Tēnā koutou katoa,

Health Curriculum Consultation
Thursday, 25 July 2019, 6:30pm - 7:30pm
Roseneath School Hall

We invite you to join us at a consultation meeting on Thursday 25 July at 6.30pm to help us review the Health Curriculum programme at Roseneath School.

The meeting is an opportunity to hear more about our programme and how we teach your children about their health as they progress from Aft through to Upper Deck.

We will share some of the activities we do with your children, and we would like to hear what you think about what we teach, when we teach it, and how we teach it.

For example, the learning progression in sexuality education. In Aft and Lower Deck (Years 1&2) the focus includes body parts and stages of growth; in Lower Bridge and Upper Deck (Years 3 & 4) learning progresses to feelings around change and identity, and positive, respectful relationships; in The Long Boat (Years 5 & 6) learning builds on these topics and introduces puberty changes, and in Upper Bridge (Year 7 & 8) students learn more about puberty, and about reproduction and healthy attitudes and relationships.

The New Zealand Health Curriculum includes:

- Personal health and physical development, in which students develop the knowledge, understandings, skills, and attitudes that they need in order to maintain and enhance their personal well-being and physical development;
- Movement concepts and motor skills, in which students develop motor skills, knowledge and understandings about movement, and positive attitudes towards physical activity;
- Relationships with other people, in which students develop understandings, skills, and attitudes that enhance their interactions and relationships with others;
- Healthy communities and environments, in which students contribute to healthy communities and environments by taking responsible and critical action.

The seven key areas of learning are:

1. mental health;
2. sexuality education;
3. food and nutrition;
4. body care and physical safety;
5. physical activity;
6. sport studies; and
7. outdoor education.

Supervision will be available for your children in the school library during the meeting. Please RSVP to the office on (04) 384 7218, or office@roseneath.school.nz.

We would love to hear your thoughts. If you are not able to attend the meeting but would still like to have your say, please contact Adelle or contact any one of us.

Ngā mihi nui,

David, Adelle, Anne, Pat, Kate, Lizzy & Andrew
Roseneath School Board of Trustees
