UPCOMING EVENTS

NZ Dance Challenge

The classes are busy practising the Matariki Dance for the Dance Challenge. Filming of the dance will take place at the end of this term - 28 and 29 June. For the filming of our Matariki dance challenge, we ask that students dress in plain navy or blue. This could be any combination of leggings/dress/skirt/trousers/ t-shirts. If the clothing has writing on they could turn it inside out. We will also be using our Kapa Haka uniforms - these are mostly for our older students. Over the next few weeks we will be trying on uniforms to see how best to use them.

125th Anniversary

Save the date for our 125th Anniversary celebrations Labour Weekend 21-22 October. If you know of any former pupils please let them know the date. Registrations will be open soon with details on our school website. If you would like to be part of the organising team, please let me know. Also if you have any skills that you would like to volunteer please contact - principal@roseneath.school.nz

Joining the team are Millie and Ashlee who are ready to step in if someone is away. It is lovely to see the children so happily engaged in inside and outside activities after school.

Our fees are \$15 from 3-4pm and \$25 3-5.30pm

Sharing our Learning: Upper Bridge Food Critique Writing

Today we tried another flavour of Hooley Rings. Ms Crewdson came over and dropped two Hooley Rings on my paper. I pinched my fingers onto the Hooley Ring, then hoisted it up to my nose as I inhaled the aroma. My initial thought about the smell was that it was very strong. I cautiously nibbled a small bite out of the side of the ring. It was so bland until the after taste rushed down my throat. It was so spicy! I jumped out of my seat to grab a cup of water and I chugged it down. Thankfully I felt the spice quickly wash away from my throat. I was panting in relief. Phew! This was one of my favourite tastings so far, an impressive 8/10. Izzy

Today we are trying Piqa Boo pear. I have no clue what to expect. It looks like an apple. It tastes so refreshing. The juices ooze out just the right amount when you bite it. I'm not really sure how to describe what it tastes like but it's just refreshing! I definitely like it WAY more than regular pears. One of my new favorite fruits! I rate 9/10 *Juno*

Chantal Organics Corn puffs

Bang bang bbq

We tried the churro flavour yesterday, and it had such a good texture. When you bit into them, they had a satisfying crunch, followed by a dissolving ending that was so nice. These have a different flavor. They look sort of spicy. (because of the seasoning) If you smell them they will have a very strong smell, that lingers. When you first bite into them, one of the first things you notice is the color difference. The outside of the corn puffs is orange with a hint of brown (depending on the one). But the inside looks like cheese. The initial taste is bbq. Then as you get further through chewing through it, It starts to get smokier. Then finally the taste fades and gets sweeter. Amazing. My only feedback is that the aftertaste isn't strong at all. The corn flavour on the inside is too strong as well. Other than that though, I give this 10/10 *Henry*
