ROSENEATH SCHOOL

VOLUME 16 01 June 2017

AFTER SCHOOL CARE

After School care, RASC, bookings are made directly between Parents/Caregivers and the RASC provider— Miss Pyar. Casual bookings can be made up until noon on the day required. Please call 0276898845 for availability. Forms for RASC are on our website www.roseneath.school.nz/Information.

PRODUCTION

Thanks to everyone who have paid online and at the office for their production tickets.

All about Basketball

"Poipoia te kakano kia puawai"

Nurture the seed and it will blossom.

STUDENT EMERGENCY KITS - AFT CLASS WINNERS

We would like to thank those families who have created their Emergency Kit for each of your children. Well done to Aft class for being the first class to bring all of their kits.

Please remember to get these in. We will return them at the end of the year so we don't waste the food. Student's emergency kits can be replenished at the beginning of 2018 brought back to school.

Aft playing with their winning prize!

SCHOOL PRODUCTION - LOST IN SCIENCE

For those lucky people who have already seen our Production - Lost in Science, I am sure you will agree, that it was a great show.

It was written by our Year 7 and 8 students. They also played a major role in playing the music, the main characters and solo singers. It is great to see our leaders from upstairs show off their many talents.

We also had seniors who were buddies with our junior students. They did a superb job of keeping them on task and focused, especially as they had to sit for such a long time.

FAREWELL SAM AND JOSH

We are sad to say farewell to Sam and Josh Titherington this week. They are moving to Martinborough. We wish them all the best at their new school.

CROSS COUNTRY - CHANGE IN TRANSPORT

Just to remind you that due to the number of competitors we are traveling by bus not by car as was stated in the permission form. We wish all of our runners the best for Tuesday. Remember the bus leaves school at 9am.

MATHS BASIC FACTS-A-THON SHEET

This sheet will be coming home in your child's bag on Tuesday.

WRITING FROM LONG BOAT

Boom the whistle blew. I felt a great start coming through. I'm feeling confident now.

Wow I'm in the lead but Tapini is catching me up really fast. We turn the corner, she's right there. We are in the lead, Tapini's footsteps are loud. They were like people stomping on a parade ground in the Army. I asked Tapini, "So have you practised".

"Yes I have," Tapini said.

"I haven't practised" I said. "I haven't practised at all. I had too much stuff on to do it."

My feet are sinking into my shoes, it hurts so much. While we go up from the pit, it felt like my heart was exploding. It was like the sun on a boiling hot day. I saw a big pack of people running towards me. It's like they were a pack of wolves. I hear them stumbling behind me. 'Bang!' My shoes are killing me "Keep pushing," I say to myself. It's like I'm in war and I hear people screaming for their souls.

Wow I pass Tapini. I finally have a chance. But she speeds up.

"Bam" I fall forwards. I tucked into a ball. When I was done rolling, I speed up. I explode. I was falling. I knew that I couldn't catch up.

"No, wow that was long," I say to myself. My heart was pounding. Someone had written something on my hand. It was a number. Number two. I came second.

Wow I feel gone.

GENERAL

There is an initiative in the **Wellington Region where Councils** across the region and The Tank Guy have been selling household emergency rainwater tanks.—for \$105 you can pick up a 200 litre water tank with all the fittings to connect it to your downpipe. These tanks provide enough emergency water for a family of four for up to sixteen days, longer if it rains. If a group of families want to buy these tanks they will be delivered to school for parent pickup—with a delivery cost.

Uptown Bounce Trampoline parks mission is to get kiwi kids moving through fun activity—uptownbounce.co.nz

The benefits of trampolining are astounding. NASA believe "rebound exercise is the most efficient, effective form of exercise yet devised by man." Trampolining is a low impact workout that improves cardiovascular fitness and boosts mental health.
