## EXTRA WATER TANK

There is an initiative in the **Wellington Region where Councils** across the region and The Tank Guy have been selling household emergency rainwater tanks.—for \$105 you can pick up a 200 litre water tank with all the fittings to connect it to your downpipe. These tanks provide enough emergency water for a family of four for up to sixteen days, longer if it rains. If a group of families want to buy these tanks they will be delivered to school for parent pickup—with a delivery cost.

We have a few parents ordering these tanks, so please let the office know if you would like one too.

## FROM THE BOARD OF TRUSTEES - PERMISSION NEEDED

### DEAR ROSENEATH SCHOOL PARENT/ CAREGIVER

We have recently had some fantastic new photos taken of the kids by a very generous parent and photographer - Sabrina - which we would like to use to update our newsletter pics and other printed material.

We have also just established a Roseneath School Facebook page ( <https://www.facebook.com/roseneathschool/> ) and would like to post various pictures throughout the year. To enable this process we need you to give us permission to use pictures of your children. For your information we will not be using specific names in our posts.

Many thanks

## CROSS COUNTRY - CONGRATULATIONS

It is fantastic to hear the wonderful results from the Cross Country last week. Not only did our students do us proud on the course, but they also did with their conduct by being supportive team members.

We would also like to thank all the parents who went and supported our students and to big thanks to Sue and Chantal for taking our team.

I received a lovely email from the bus driver about our students amazing behaviour and politeness on the bus. Well done to you all. You did yourselves and Roseneath School proud!

## WRITING FROM THE LONG BOAT AND UPPER DECK

### The Big Night

My brain was exploding with nerves. "Gulp, it's our turn" I whispered in my head. I wanted to wobble I was that nervous! I was in the middle of the stage. Isabel moved in front of the stage. I felt like I was ready. I started to slide, the zombies followed, we took fake selfies. Then my hands started to shake. I changed the shape of my hands to a claw shape and we danced to the song, 'Thriller.' In my head I was thinking of our 'Just Dance' practice. I was counting the beat of my moving. I looked at the audience and I saw a lot of parents taking photos and they were watching me! I felt really nervous when the audience started cheering. Finally, we had finished.

### Production {Futuristic dance}

My stomach **Churning** as Isabel suddenly side steps across the stage in her top hat and cape holding the sign with the year 2222 on it. The music starts beating while we **Futuristically** appear on stage "Dunn dunn, dunn dunn, dunn duuuu..." the song sounds. It starts and the person on the song lets out some vocals as well as an airborne virus of nerve rushing through my bloodstream and **not** exiting. Parents are staring at us like garden gnomes. While we do an extremely **cringey** dance. At this point it's nearly done as a wave of utopian relief splashes over me. Then the sound stopped and Dr Rappin, Dr Zatic and Professor Foster shout "That's a better future our children are saved!!" Then they all high five and our whole class stands up and shouts "YAY!!!!!!" And we bow and I wipe the sweat of my greasy forehead.

As I walk down the stairs. Nearly tripping over as stand on the mat ready for *Radioactive*.

Matthias

### Cross Country

Arms pumped  
Slap, smash  
Mud splatting on my feet  
OOO yuck!  
Wind howling in my face  
Feet stomping like an elephant  
Heart in flames  
Finally at the finish line  
Yay!  
I came 4th.

Yasmyn

### Cross Country

Mud growling  
Wind shouting  
Hammer knocking my heart  
Muscles working like a tiger  
Breath pondering  
Arms pumping  
Grass with a quick sway  
Strong finish  
Stomach with a slither.
