ROSENEATH SCHOOL

VOLUME 20 29 June 2017

YUMMY STICKERS

Thanks to the families who are still collecting the Yummy stickers for the school. If you have any please drop them to the office.

NEW WORLD CHAFFERS' DOCKETS

It has been fantastic to see these docketts being dropped to school. It is an easy way for Friend's to fundraise and much appreciated.

DISPOSITION/QUALITIES FOR LEARNING

Over the next few terms I would like to begin a dialogue with you around how we are engaging students at home and school around dispositional ways of working. The link between dispositions and effective learning is strong and they are the things that connect the learning together.

Here at Roseneath School we are currently looking into what are our most important qualities for our students. Some of these disposition/qualities we have been investigating are - perseverance, risk takers, making connections, reflective, creative thinkers, collaborative, self managing, curious, resilience and empathy.

This will also help to shape our charter and strategic plan review later in the year.

I look forward to hearing some of your thoughts on these dispositions/qualities. I will also be meeting with the House Leaders and Class reps to discuss this with them too.

FRIEND'S successful Matariki disco in full swing

HOLIDAYS, ABSENCES AND LATENESS

It is very important that you contact us via phone or by email before 9.00am - 3847218 or absences@roseneath.school.nz if your child is sick or is going to be away. Also, if you are going to be away for longer than the 2 week school holidays, can you please let teachers and Joanne know.

ERO VISIT TERM 3

It is that time again. Our friends at ERO are coming for a visit and they will be here for the first week of Term 3.

We haven't heard yet who is on the team or what their exact time table is but we would like to welcome them to Roseneath School by having a wee powhiri on Monday 24th July. All parents and whanau are invited to come to this powhiri. Once I have a time I will let you know but we think it will be about 10.00am.

FRIENDS - MATARIKI DISCO

WOW! What a fantastic night. A huge thank you to all of those on Friends who organised the event. I believe they raised \$1000 from the evening. It had a lovely school community feel to it. All of the children were up dancing and there was some great parent participation too. It was nice to use our school hall and test out the new additions. The kitchen was superb and great to have all the mod cons.

GENERAL

LOST PROPERTY

The cooler weather has arrived and with it, many extra jackets and warm extras are being worn to school - and our lost property is overflowing! Please make sure you have all clothes worn to school named and then if misplaced we can return it to the children, if not, we cannot! Please do pop in and check our lost property bin if you are missing an item at home.

PROSPECTIVE PARENTS MEETING

We welcome all prospective parents with children who are turning 5 this year to an Open Afternoon session with the new entrants teacher (Jenni Thwaites) and Principal (Luana Carroll) to learn about the programmes we offer for our Year 1 students.

Wednesday 5th July - 2.00pm in the School Library

INTERVIEWS FOR YEAR 1- 3 STUDENTS

On Wednesday 5th July we will have our next group of interviews for parents with child celebrating their anniversary or interim anniversary. Parents will be notified by the Jenni, Maria and Hayden early next week to let you know if it involves you and your child. From here we will set up times for the interviews.

MATHS BASIC FACTS-A-THON - GET KEEPING YOUR SPONSORS/DONATIONS TO WIN

The top fundraiser from each class will receive movie tickets for 2 to Reading cinema, a burger voucher from Steer + Beer and a pharmacy voucher form Unichem Courtenay Place. These prizes have been kindly donated. If you require more sponsorship forms please ask your teachers.

WRITING FROM LOWER DECK

MY PANDA

My Panda has two legs and two arms, two eyes, two smallish ears and one big nose.

It has black and white fur, the tummy is white and most of the head is white. His arms, legs outside of it's eyes and it's ears are black.

He feels nice and squashy when I cuddle him and he helps me get to sleep.
