ERO VISIT

For the past 3 days we have had Cynthia Davies and Beverly Steele at school from the Education Review Office (ERO). Their role is to do an external evaluation of the school.

We received only positive feedback from them yesterday before they left. We aren't able to share any other information until we receive our confirmed report which will be due in about October.

I have to acknowledge all the work the BOT has put in since April. This was very evident throughout the review.

I would also like to thank the senior students who spoke with ERO. They were very impressed and lastly I would also like to acknowledge and thank all of the staff for the wonderful job that they do.

GOAL SETTING AND PORTFOLIOS

All students will have received their Learning Portfolios at the end of Term 2. These included the mid year report and some next steps for learning in reading, writing and maths. These will form a part of the goal setting with your child and their teacher next week at 3 Way Goal setting.

Interview times are now available to be booked on www.schoolinterviews.co.nz and the code is: pbyys

If you have any trouble, or would like us to do the booking for you, please let your child's class teacher know, or email me on luana.carroll@roseneath.school.nz

PLAYGROUND UPGRADE

For those who haven't seen it yet the Supernova has been installed and it is extremely popular. Student comments about our new playground equipment:

Kate - It is really cool because it has a line you can grip onto and it spins really fast.

Amelia - It's fast, Hanalei - It's fun, Yasmyn - It's awesome, Alysha - It's amazing!

Leila - I think it's like a mini roller coaster.

Isobel - It's really fun, exciting and scary all at the same time!

NEWS FROM THE TOP—YEAR 7 AND 8

One of the things I love about Roseneath School is that all of us can feel acknowledged and know that we have a voice and that not only the teachers have a say. We can make our own decisions but we know if we muck up they will always help guide us along the way. The teachers give us a chance to involve in lots of different experiences this gives us a chance to feel involved and heard. All the teachers care and know that each individual is special and that they can all succeed.

FROM THE BOARD OF TRUSTEES - PERMISSION NEEDED

Dear Roseneath School parent/caregiver

We have recently had some fantastic new photos taken of the kids by a very generous parent and photographer - Sabrina - which we would like to use to update our newsletter pics and other printed material.

We have also just established a Roseneath School Facebook page (<https://www.facebook.com/roseneathschool/>) and would like to post various pictures throughout the year. To enable this process we need you to give us permission to use pictures of your children. For your information we will not be using specific names in our posts.

Many thanks
