ROSENEATH SCHOOL

VOLUME 24 10 August 2017

TUMMY BUG

There has been a few cases of sore tummies at school recently. If there is vomiting involved the period of stand down time is a minimum of 24 hours after the vomiting has finished.

TERM 3 LEARNING FOCUS - PREP

This year for PrEP, one of our main foci is on governance and leadership. All classes have been doing work on how governments work, the different roles, voting and some classes have also focused on laws and legislation. This also aligns with the current elections for Parliament, and to help strengthen our students knowledge and understanding of how our school government for PrEP should and will work.

Next week House Leaders are going to write a School Treaty - Tiriti o Te Wai Hirere/Treaty of Roseneath School. This will be the founding document that guides and shapes some of the laws and legislation that this year's government can set. We will continue will developing our students

knowledge on Financial Literacy. We were successful with our submission to the BNZ for their community projects programme - Closed for Good. We will have 2 staff members from the BNZ who will come into school on 23 August and work with all classes on Financial Literacy. Teachers are still requesting materials for PrEP, so if you have anything that you think maybe handy and can be recycled or up-cycled, please talk to your child's teacher.

DIGITAL TECHNOLOGIES CURRICULUM

You may have heard in the news recently that the Ministry of Education has made an addition to our New Zealand Curriculum by adding in Digital Technologies.

As we are a school that have been early adopters of digital devices, we are very interested to be a part of the conversation around the development of how these are used in schools.

The Ministry of Education are currently in the process of consulting with schools, parents and whānau so if you would like to participate in this too, here are the ways you can do that:

BACKGROUND

New Zealand is a digital nation. Digital technologies are transforming how we live - shaping our homes and our workplaces, and changing the way that we interact with each other and live our everyday lives.

Our education system needs to change how we prepare our children and young people to participate, create and thrive in this fast-evolving digital world.

You can register to attend by clicking onto this link

http://www.conference.co.nz/moe17/other_events/digital_technologies/information

Wellington - Wednesday 16th August - Evening 6:30pm - 8:00pm

(Focused on parents, whānau, community and industry)

Level 2 Mataranga House, Ministry of Education

Alternatively you can make a submission - <http://www.surveygizmo.com/s3/3628791/DT-HM-consultation>

Preparing for a cooking lesson at Tech

URGENT MESSAGES

During the day most teachers cannot check emails as they are teaching, so any important messages need to be emailed or rung through to the office. Joanne works all day Monday and Friday and until 12.00pm on Tuesday, Wednesday and Thursday.

CAMP MEETINGS - YEARS 5/6 AND YEARS 7/8

These meetings are very important as we share most of the information you need to know about camp. We will discuss helpers, activities, cost and possible fundraising opportunities. We look forward to seeing you on Tuesday.

Year 5 and 6 - 5.30pm in The Long Boat

Year 7 and 8 - 6.15pm in Upper Bridge

NEWS FROM THE TOP

For technicraft, our group has been doing cooking. On the first week, we made a smoothie, following instructions made by our teacher, Diane. She could be strict sometimes, but, overall, Diane was very nice.

She led us through the way of making really delicious foods, like macaroni cheese, spaghetti bolognese, and many others. She didn't just teach us how to cook, but she taught us the how to be safe when we cooked.

She taught us how to clean up after ourselves after cooking, and also how to keep the food that we made fresh. Overall, I had a really good time in cooking, and I can't wait till next time!

By Oliver

ENTERTAINMENT BOOK AND NEW APP

New to the Entertainment Book is now the new App that's available and the book. For more information contact: Kristin de Sousa - 02108793010 or kristindesousa@gmail.com

The money raised from this goes towards Friends funds for the playground.

To order your book or digital membership securely online visit:
