REP GOVERNMENT COMMUNICATION

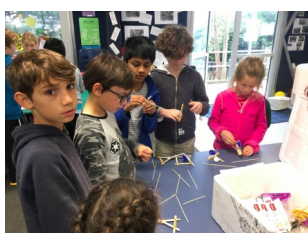

We have set up a Questions, Queries, and Complaints system. If you would like to submit a Complaint, please fill in the Google form that Ned has send you, or fill in a paper form which we will be putting up on the PrEP news board. The same goes for Questions and Queries. We will be answering them every Monday at 1.30pm. I would also like to remind you that if you are a Business, you need to sign the contract that Perry has sent you. You might have heard by now that you may keep \$100 dollars from previous years. This may seem unfair, but you have to realise that as a citizen of Roseneath School your money has been put to Kiwi Saver for future use, you have access to \$100 to spend as you like. Please remember that we are putting up information on new laws and decisions on the PrEP news board so make sure to check it out. If you have any questions, please feel free to email me at sumner.h@roseneath.school.nz or fill in the said form.

GENERAL

CONGRATULATIONS TEAM THOMPSON

On Monday morning at 8.43am Timothy James Thompson was born weighing 9lb15oz. Both mother and baby are well. Hayden will be on parental leave for this week.

ABSENCES AND LATENESS

We have recently updated our school policy on Attendance to be inline with the Ministry requirements and to reflect that we now record absences electronically. These changes are so the Ministry can get regular information on attendance.

It is also important that you let us know if your child is going to be away and the reason for this. You can use our website absence link

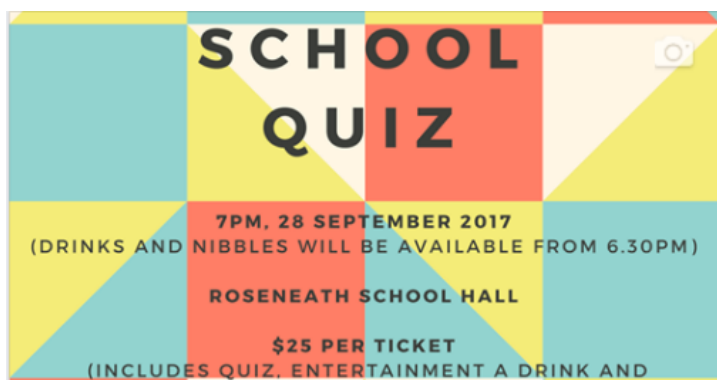

<http://roseneath.school.nz/contact-us/#UAbsence> or phone and leave a message - 3847218.

Everyday we need to record this in our attendance programme. The other area that affects attendance is lateness. If your child is not here when the roll was recorded they are reported as late. We monitor this and when necessary we will contact parents. It is very important for students to be at school before the bell. The main reason is for them to be prepared for the day ahead.
