## DANCESPLASH

WOW! What an amazing performance at by all of our dancers at Dancesplash on Friday. It is great to see so many of our students participating in this event. We have received a huge amount of praise and positive feedback about our dance from other schools and parents. A huge thanks go to Jenni Thwaites for all her time and creativity skills (make up, costumes, dance moves and music). If you would like to see it here is a link to the video. Thanks David Burnette for your fantastic filming skills.

## PREP 2017

Congratulations for another successful year of PrEP! It was great to see the diversity of products, the teamwork, budgeting skills, and the focus on recycling.

The government this year was successful in fulfilling their election promises and were lead well by their Prime Minister, Abigail. I would also like to acknowledge the outstanding work of Sumner, Aston, Gatsby, Perry, Ned and Tennessee. I think this PrEP has the fewest issues in Roseneath history.

This years focus on Elections was a nice new link to PrEP this year. It got our students asking good questions to those who were standing for government and holding them to their promises. I would also like to thank the staff for all of the extra time and effort you put into organising PrEP. The results speak for themselves.

Our Market Evening was a huge success and that was due to the support we received from all of our parents and whanau. Thank you for supporting our learning programmes.

## CHARTER CONSULTATION CLOSES ON THURSDAY 5TH OCTOBER

We have received 40% response to our school charter survey. We have a week to go and would love to hear from all whanau. Please take the time to have your say.

## EOTC TERM 4 FOR YEARS 1-4 - WE NEED YOUR HELP

We are currently in the process of planning for EOTC week for the Years 1 to 4. This will happen on week 6 of the term, 20th -24th of November (same week as both camps). We will have the activities organised early in Term 4 so you know what we are doing on each day and which days we require parent helpers.

## RAFFLE TICKETS - FRIENDS OF ROSENEATH

Friends of Roseneath would like to thank everyone who sold raffle tickets. It looks like we have raised over \$2000 from this. We will be drawing the raffle tonight at the Quiz evening so if you still have your tickets please return them today before 3.00pm.

## PREP GOVERNMENT - PRIME MINISTER'S SPEECH

Welcome everybody to the 2017 Roseneath School PrEP Market evening!

This year I have had the pleasure of being Prime Minister, we have focused a lot on our communication and the meeting of deadlines, I know that we have really tried and I think that it has paid off.

Before we begin tonight I would like to thank all my wonderful ministers. Ned, thank you for helping out in the treasury when your job proved to be rather uneventful (thankfully). Thank you Sumner for always having the newsletter ready on time and making sure that everyone in the school is informed, Gatsby for getting the wages out despite the complications we had.

Thank you to Aston for your organisation and helpfulness with everything - not just your job and to Tennessee for your organisation on keeping track of advertising money and even though Perry couldn't be here tonight he has been very helpful to the treasury when they needed an extra pair of hands. I would also like to say thank you to our wonderful Governor General for always being there to help me when things got complicated. And finally a big thanks to all the students and teachers for getting everything to the stage it is now. Let's have a wonderful PrEP market night!

RED NOSE DAY

This year we have decided to support the Red Nose Day appear for child cancer. We are having a Red Nose Day on Friday 29th September the last day of Term 3. Children are encouraged to bring a gold coin to receive a sticker with a nose and for \$3.00 they can purchase slap bracelets.

Class reps will be selling the Red Nose items in the office area before school from Wednesday 27th to Friday 29th September.
