UNSW EXAMS

Well done to all the students who participated in the UNSW's exams this year. As you can see from the results our students did extremely well. Every year we offer this to students in Years 4 to 8. If you are interested in your child participating please talk to your child's teacher early in 2018. We will advertise it in our school newsletter in February with dates and exams.

ATHLETICS - CENTRAL ZONES

On Thursday next week we have 40 students going to the Central Zone Athletics. These students had to meet the qualifying standards to compete. I am always so impressed at well our students do to meet these standards with our physical environment as we are not always able to prepare them as well as w would like for some of the events. We wish all athletes competing the best. Give it your best!

LEAVING AT THE END OF THE YEAR

If your child/ren are leaving at the end of the year (not year 8's) and you haven't already told us can you please email me - principal@roseneath.school.nz.
This is helpful when organising classrooms for 2018.
