SCHOOL CAMPS AND EOTC

We had a stunning week for the two camps and the Year 1-4 EOTC week. We would like to thank all of the wonderful parents and whanau who helped out. Without you it isn't possible for these events to take place.

I would like to thank all of the teachers - Jenni, Maria, Charlotte, and Hayden for organising a great EOTC week. Chantal, Sue and Anne for planning and organising highly successful camps. With all the changes and responsibilities now on staff and the Board of Trustees these events take hours of planning and organising and we are very lucky that we have dedicated staff that are prepared to put the time and effort into making this happen every year.

TRANSITION 2018

On Tuesday we are starting our transition programme for all students. This is where they go to the room with their peers and classroom teacher for 2018. We will have 2 sessions over the next 2 weeks so that they get to know each other and gain a better understanding of their teacher.

This may not be possible for the Year 6 class, as we are still in the process of appointing a new Deputy Principal/Year 6 teacher. For this class we will get them to do some work to prepare them for next year and give them an opportunity to record information for the DP/ teacher. Next Tuesday we are sending home a form for each child so that you can tell us about them. We find this information useful, especially if they haven't had that teacher before. We think it is important to include you in transition process as your child's learning is a partnership between home and school. We will use this information to assist us in our planning over the holiday break. Thank you!

HELP NEEDED ON THE BEACH TRIP

We require helpers for our beach trip on Thursday 14th December from 10.15 - 1.30pm. If you are able to walk with us and help supervise at the beach please email Joanne.

Oscar's Reflection of Camp

Ski Racing

Our team tried to work together to get to the end and back again, I was at the front and called out left, right, left, right. There were 5 people in my team. I felt happy to be in front calling out left and right. It was difficult because we had to turn around at the end and go back. And I didn't know we had to go back again.

Water Slide

The waterslide was made of Black plastic and had water running down it. The slide felt hot but when I walked back up the air made me feel cold. I was really good at the slide and I really, really liked the waterslide.

Confidence Course

At the confidence course our team tried the tyre wall. I didn't think it was difficult, I enjoyed it. I felt very confident on the Confidence course. I saw the tyre wall, waterslide and flying fox and monkey bars.

MY EXPERIENCES

The best activity on camp was the Confidence course because I liked the flying fox, it went fast. My favourite place on camp was at the pool because I like swimming and the weather was hot, so it felt good to have a swim.

Something that I did on camp that I do not do at home was to vacuum the dining room after we had our meals and clean our cabin. This made me feel a bit grumpy because I don't like it.
