ROSENEATH SCHOOL

VOLUME 2 8 February 2018

**CHURCH ROOF/
PAINTING**

St Barnabas Church is being painted and partially reroofed from next Monday 12th February. There will be scaffolding and work vans around the church, and the car parks in front of the church will be out of action for pick up and drop offs.

COMMUNITY CHOIR

Manawa Ora Children Community Choir, Tuesday afternoons 4:15pm-5:30pm at St John's in the city Presbyterian Church. All children aged 7-11 welcome. Starting February 20th. Contact Lala Simpson at mana-waora3c@gmail.com for more info.

ROSENEATH SCHOOL:

A vibrant, inclusive school community where children love to learn

At Roseneath:

We believe in ourselves

We are curious and creative

We strive in our learning

We are kind and respectful

NATHAN MIKAERE WALLIS

In the holidays the Roseneath Staff attended an amazing workshop with neuroscience educator Nathan Mikaere Wallis. We learnt about the development of the child's brain in their first 1000 days and beyond. We were inspired to think even more deeply about the neuroscience of children's behaviour and learning development, and how our teaching needs to be responsive to this. Nathan explained how important it is for our children to believe in themselves, and see themselves as great learners- especially in the first few years at school it is so important for them to develop a love for learning and to believe that they are clever. We were pretty excited to see how well our new values reflect what is the most important for our children in their primary school years.

ASSEMBLY

All families are welcome to join us in assembly tomorrow at 9:05am The Long Boat are hosting our assembly this week. In this assembly we will be announcing our House Leadership Teams for the year.

LIFE EDUCATION

We welcome Harold the Giraffe and Charlotte from Life Ed to our school this Friday until next Wednesday. Each class has two sessions in the Life Ed caravan, learning about identity, friendship skills, and teamwork. Our Life Education programme links beautifully back to our School Values and with the PE and Health Curriculum.

Family and Friends Picnic and Meet the Teacher Thursday 15th February, 5:30pm

Please join us on for a BYO Family and Friends Picnic in the amphitheatre from 5:30pm next Thursday. Friends of Roseneath (our fundraising and support group) will be introducing themselves, and it is a great chance to meet each other. At 6pm we will have a quick presentation in the hall, and then you will have a chance to visit your child/ren's classroom and hear from their teachers.

ORIENTAL BAY BEACH DAY FRIDAY 23RD FEBRUARY

We will be heading down for our Term 1 Beach Day on Thursday 23rd February. Children will have an opportunity to build sand sculptures and play beach games and swim if they wish.

Everyone will need a sunhat, sun block, togs and towel (if swimming), their morning tea and lunch and they are welcome to bring things to help them with their sandcastle building as long as they can carry it!

We will be walking there and back, leaving at 10am and returning at around 1pm.

All families are welcome to join us at the beach, We do need parents to accompany us on the walk, and to help supervise student safety at the beach, so please let your child's class teacher know if you are able to help with walking our children there and back. This trip will be weather permitting only, and if it is cancelled we will send an email out as soon as we have made the decision.

SUNHATS

Just a wee reminder that sunhats that cover the face, ears and neck must be worn outside this term. We are having such an amazing summer that we will be working hard to monitor sun safety even more than usual. We are also working towards having Roseneath sunhats available to purchase some time soon so keep an eye out for our promotion.

SWIMMING

Our annual swimming programme at Kilbirnie Pool started today and continues on Thursdays for the rest of the term. Please send your child with named togs, towel and any other accessories they need. Our Years 0-5 leave at 11.30 am and return at 1.20 pm and our Years 6-8 will be leaving school at 12.30 pm and return at 2.20 pm. Swimming and Water Safety is a compulsory part of the New Zealand Curriculum. Please contact us here at school if you have any questions or if there is anything you think we should know.

SPORTS AT ROSENEATH PARENT INFORMATION EVENING, WEDNESDAY FEBRUARY 21ST, 5:30PM

We would love to see you at our Parent Information evening if you are interested in coaching or managing an after-school sports team this year, your child is interested in participating in after school sport, and if you would like to hear more about our after school sports and how they work.

SWAN PLANT RESCUE

Bruce Sanson from The Plant Place in Hamilton has offered to make a trip next week as far south as Christchurch with a load of 1.2 to 1.5 metre swan plants, priced at \$5 each. To make it worth his while, he will need to sell at least 600 of them. He could drop them off at points anywhere between Hamilton and Christchurch, of course. Remember that there are potentially two more generations of monarch caterpillars to come this season - and each generation the number of monarchs increases hugely. If we provide plenty of food for them now, we have more monarchs overwintering.

The school is more than happy to put an order in - if you are interested please contact the office asap.
