**SCHOOL PRODUCTION:
BIG HISTORY**

Tonight, Thursday 6th June 7pm
performance (all cast at school at 6:30pm)

Photography in the productions

We are really grateful to Ashley and Nigel Stanford as our official photographer and videographer for the shows. They will be taking photos and footage of each class and these will be made available soon for you free of charge.

There will also be an opportunity for you to take photos of your child in their classrooms, ten minutes before the performances.

We ask you not to take photos or to film the production. I know how tempting it is to use your camera, but we want your children to be able to perform with focus and energy, not to get distracted with flashes and phones, and to see you enjoying them perform 'live' and in the moment. Thank you!

PRODUCTIONS AND YOUR CHILDREN

Your children have done such a wonderful job this week and we are really proud of them. Thank you for all of your support for these shows. We have really appreciated your enthusiasm- and your children have really shone! A big thank you to for the baking and hot drinks, organised by our school fundraising group. Thank you too for your flexibility around the change of date- the weather last week was just too unsafe for our children to be out and about at night. I do hope you enjoyed staying indoors. If you did not get a message on Skoolloop or via text, that means that we don't have the best contact for you, for communicating with you in an urgent or emergency situation. Please contact Joanne with your update numbers.

TE REO MĀORI CLASSES FOR ADULTS-

Henare Parata is our Kapa Haka tutor and he has offered to run an introductory Te Reo Māori course which will generally follow the structure of first year tertiary Te Reo Māori study. Thank you for your interest in these classes! In term three the course will run on **Mondays from 4:30-5:30pm**. We'll be in touch with more information shortly.

MIHI WHAKATAU (A WELCOME CEREMONY FOR NEW FAMILIES) FRIDAY 7TH JUNE, 2PM

Tomorrow we will be hosting a mihi whakatau: a welcome ceremony for children and families who have joined or are joining our school. All of our Roseneath School community are welcome to join us- it will be a less formal version of our pōwhiri process and a very special new tradition for welcoming new families to our place.

WRITING FROM AFT

We are going to be Vikings and we are going to do a Viking show. First we snuck up the stairs. Then we do a pose. Next we surround Star and she gives us a bag of gold! We have a loud song and Hjeleena sings us a lullaby. Finally we heave ho on our ship all the way home.

by Zeb

First I am sneaking on the stage. Next I pose like a queen. Then we surround Star and she gives me the gold! We all jump around! The boys tell a story and I sing a lullaby.

by Hjeleena

Once upon a time there were Vikings and they were sneaking up the stairs...then they posed. Next we surrounded Star and she gave us gold! I shoot lots of arrows. The boys tell of the 'Ice and Snow.' Hjeleena sings a lullaby. Finally, they sail back home "heave, ho, heave, ho."

CROSS COUNTRY

A team of runners from Roseneath braved the cold weather on Tuesday to run at the Central Zone Cross Country. The team represented the school very well and all completed the course in some quite tricky conditions. It was lovely to see the team so supportive of each other. We have a team of seven children that have placed in the top ten of their races and qualified to compete at the Interzone Cross Country on Tuesday 18th June (postponement 20th June).

Congratulations to: Reem, George, Kate, Billie, Frank, Carl and Coen (and Malachi who qualified 11th and is a reserve for the Interzones as well).

LOWER DECK WRITING**The Kittens and The Wicked Witch**

By Jojo

There was once a family of kittens. The Mum was named Iris and the Dad was named Rion, and Iris and Rion lived in a palace.

The kittens were named Caius, Henry, Pippa, Jacob, Laura and Travis.

Suddenly the palace shook. Iris and Rion were worried. What was it. It was an earthquake, and a stinky smell appeared with a green puff of smoke.

Daphnee and Megan were the fairy Godmothers, and Lyla and Jojo were the babies but Jojo and Lyla helped find rocks.

What was it? It was a wicked witch and the wicked witch as named Nolan, and Nolan said "Give me one of your kittens."

Then one of the fairy godmothers said "You can keep me instead."

The Queen and King said "We have to help the Fairy Godmother or Kitten Land will die."

"Oh no," said the babies and the children.

The Queen had an idea, "I have an idea!"

"What is it? Everybody asked.

"We call the other Fairy Godmother and we ask her what to do to get Fairy Godmother back."

They called the Fairy Godmother "What can we do?"

"You go in the middle of the night."

"Where is the Wicked Witch's home?"

"It is in the clouds," replied the fairy Godmother.

"How will we get there?"

"I will make you an aeroplane, then you can fly there, but the Wicked Witch has powers. I will turn off her powers," said the Fairy Godmother.

"Thank you."

"You're welcome," said the Fairy Godmother and she flew away.

"We should do what the Fairy Godmother says," and off they went.
